Dear State Employees,

We are pleased to announce a discount for state employees and their families from the University of Virginia for UVA football home games at Scott Stadium.

Season tickets covering all 7 home games are **20% off** for state employees, with prices starting at just \$103 each – less than \$15 per game. Season tickets offer the same seats for each game and include the Commonwealth Clash on Nov. 29 versus Virginia Tech.

Single game tickets are just \$25 each for the games versus Florida State (Sept. 14), Duke (Oct. 19) and Georgia Tech (Nov. 9), and just \$15 each for the games versus William & Mary (Sept. 6), Old Dominion (Sept. 21) and Liberty (Nov. 23).

The single game discount represents savings of **up to \$35 off** regular single game ticket prices. Seating is available in both the lower and upper level areas of Scott Stadium, with specific seat locations varying by game.

To purchase tickets, click [VirginiaSports.com/specialoffers](https://virginiaspports.com/specialoffers) and enter the promo code **STATEEMPLOYEE**. There is also information on a [flyer](#) posted on the DHRM website.
